Information

*College Bound students: (2 UNITS of a world language is required for acceptance in most colleges) Check usg.edu to determine the eligible courses for college entrance.

*HOPE Rigor is determined by GAFUTURES.org. See website for details.

Some College level courses will count toward core requirements. See guide for common equivalencies.

***** Athletes: check the most current 48H form to determine if your classes will meet NCAA eligibility standards.

*Starting with cohort 2026 All students must complete a Pathway (see handbook for details).
