Parent understanding and agreement: I understand that it is my responsibility as the parent to submit this application as instructed by the school district. **I may not submit this application directly to any provider soliciting my child's participation in the program.** I understand if my child cannot be placed with any of the preferred SES providers listed, the LEA will contact me to select another provider. I also understand that the school system is not responsible for providing transportation to and from these services. The school district will pay up to \$1178 for tutoring on behalf of your child at no expense to you for a specific number of hours. I authorize the school district to release my child's state test score data to the selected provider in an effort to assist them in developing a tutorial program that addresses the specific needs of my child. In certain cases, if funding is limited, I understand that students will receive services based upon a rank ordering of student achievement data as determined by the school district.
