EMAIL GUIDELINES

One of our goals is to ensure that we always present ourselves as professionals with our stakeholders and a professional email signature is a great way to do that as much as we communicate via email.

Click the link to the [Brand Guidelines](#) website and look for "Employee Resources" to get detailed instructions for creating your email signature.

Millage Rate Rollback

The Board of Education unanimously approved a rollback to the millage rate for the fourth year in a row. As of today, the Colquitt County School District millage rate of 8.239 is the second lowest in the state.

We have a tradition of announcing great things happening in our school district during "time-outs" of the home Packer Football Games; we call them "Packer Points of Pride." This year we are expanding Packer Points of Pride to billboard spotlights, social media posts, and news stories.

Packer Points of Pride will continue to recognize student and employee achievements. However, this year we are seeking special interest stories, as well. Do you know someone in the district (student/employee/alums) with an interesting hobby, special talent, or unique story? We would love to hear about it.

[Click here to share a PACKER POINT OF PRIDE!](#)

We often get requests to share discounts with employees. The [Packer Perks page](#) on the district website will be updated as we receive offers to share. Please check it often, and we will remind you every month in the newsletter.

If you know of a business that offers a perk to school district employees, feel free to share via email with communicationsoffice@colquitt.k12.ga.us.

EMPLOYEE ASSISTANCE PROGRAM

The Employee Assistance Programs (EAP) are confidential support services offered to employees and their household family members. Individuals are entitled to up to three (3) FREE counseling sessions per person annually. Click the link for more information: [Employee Assistance Programs \(EAP\)](#).
