Colquitt County School District Photo Release Form

Colquitt County School District takes every measure to protect students while promoting academics and extracurricular activities at each school. Colquitt County School District is committed to maintaining district and school websites, social media platforms, and other marketing materials that highlight the achievements of the faculty, staff, and students of all Colquitt County Schools by displaying photographs and/or student creations.

As the parents or legal guardians of a minor student (under 18 years of age), we ask for your permission to reproduce, use, exhibit, display, broadcast, distribute and create works of district-related photographs or digital images of the students listed below. These photographs or digital images will be used for promoting, publicizing, or explaining the district or its activities. In most uses, the name of the student will not be revealed. The only time the use of a student name will be recommended for use is to give credit for creative work the student may have contributed to the project.

This permission includes, without limitation, the right to publish such images in public relations and marketing materials created by or on behalf of the school district. These images may appear in any of the wide variety of formats and media now available and that may be available in the future, including, but not limited to, print, broadcast, and digital media.

As the parent or legal guardian, I permit the below-listed student(s) to have their photo used for the items mentioned above.
