

COLQUITT COUNTY SCHOOLS

EACH DAY - EXCELLENCE IN EVERY WAY!

Family Exit Survey

The Colquitt County School District values the opinions of our students and their families. We understand that as a family, you have collectively decided to un-enroll your child or children from our school district. To analyze why families may choose to leave our district, we ask you to complete the following survey. This information will be used to build improvement plans for our schools and district. We will not share any identifying information with anyone in the school district. The data collected here will not be associated with any particular student or family and is anonymous.

General Information

1. School grade level during the current school year or last year completed if during the summer.

2. Only one child or multiple children in the school district (select one)
