What is Title I?

Cox Elementary School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family Members a written parent and family engagement plan.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Cox Elementary will provide opportunities to improve family engagement to support student learning. Cox Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Cox Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it developed? Cox Elementary School invites all parents to attend our annual Spring Input Meeting to review and revise the Parent and Family Engagement Plan as well as the district's Parent and Family Engagement Plan, the School-Wide Plan, Building Staff Capacity, the School-Parent Compact, the Parent and Family Engagement budget and the Comprehensive LEA Plan (CLIP). Cox Elementary also welcomes parent input and comments at any time regarding the plan. The plan and input form are posted on our school website for parents to view and submit feedback. The plan is also available in the school office and parent resource area. Parent and Family Engagement Plans were distributed to all parents during the annual revision meeting. All parent feedback was used to revise the school plan.

Who is it for? All students participating in the Title I, Part A School-Wide program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Cox Elementary will provide full opportunities for participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available? At the beginning of the year, the plan is included in the student handbook that is given to all students. As a reminder, we will email the plan to all parents in August before the scheduled Open House event. The plan will also be posted on the school website and social media. Parents can also retrieve a copy of the plan in the Parent Resource Center/Area located in the front lobby of the school.

BUILDING CAPACITY

Cox Elementary will take the following measures to promote and support parents and family members as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

- Ensure that all information related to school and parent programs, meetings, and other activities is sent home in English and Spanish, posted on the school website, Facebook and school marquee, and included in the monthly school newsletter.
- Educate our staff via PLC's, faculty meetings or planning periods and emails on strategies to improve communication with parents and ideas to increase family engagement with reading and math activities for students outside the classroom.
- Communicate with all families on a regular basis regarding parent and family engagement events and activities, such as phone messages, social media, and flyers. Use progress reports and Infinite Campus to assist parents in monitoring their child's progress.
- Provide necessary materials for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement, including the harms of copyright piracy.
- Listen and respond to parents' request for additional support for parent and family engagement activities and provide parent resources to meet our parents' needs.
- Partner with early childhood programs, middle and high schools, college and career ready resources or organizations, parent resource centers, or other programs (as applicable) to help prepare parents and their children for successful school transitioning.
- Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.
- Use our Partners in Education and School-Community Team to improve awareness of the activities and events listed in the school parent and family engagement policy.
- Offer literacy and computer classes for parents and family members to help further enhance their various educational levels.
- Collect feedback from parents and family members at all events, place input cards around the building and post a suggestion form on the school website in order to respond to parents' requests for additional support for parent and family engagement activities.

Parent and Family Engagement Standards

Cox Elementary and our parents have adopted the National PTA Standards for Family-School Partnerships as the school’s model in engaging parents, students, and the community. These standards are:

- 1. Welcoming All Families
- 2. Communicating Effectively
- 3. Supporting Student Success
- 4. Speaking Up for Every Child
- 5. Sharing Power
- 6. Collaborating with Community
