Leah Johnston – Academic Coach

Dear Parent/Guardians:

This progress report marks the 4 ½ week grading period for our campus. We have completed a little over 13 weeks of school, which is about one third of our school year. Hopefully, your child is making adequate progress and has made the adjustment to our daily routine and schedule. As always, we encourage our students to strive to make academic and behavioral progress to prepare them for the remainder of this school year, as well as the years that will follow.

We could really use your help in the area of school arrival time. We have many students getting to our campus long before we require our adults to be here. Some of these students are getting here and getting involved in mischief – from throwing items (trash) on our front porch getting physically aggressive with each other. We do not have adults required to be here until 7:30, with most of our teachers required to be here by 7:45. Please work with us to resolve these safety issues that occur with the early arrival of students.

We continue to move forward with our ELT (Extended Learning Time) schedule on Wednesday and Thursday of each week. This is a time when we have students in smaller groups to enhance Reading and Math skills. We also have this time on Friday for students to receive any additional help and also to make up any missed assignments. We will be looking to expand this program even further after the Christmas break, so please have your student here promptly every day so we can begin no later than 8:15.

We do thank you for your support in these areas. We also thank you for being an encouragement to your child and their academic success. Our goal, and we know yours as well, is to have well-rounded students that are preparing for their future endeavors. Please stay in tune with the parent portal and do not hesitate to contact the school if we can be of assistance. Thank you for allowing us to be a part of your child's education.

Also, please support our campus by going to the web link below and complete the parent survey for our campus. Thank you.

Sincerely,

Dr. Jamie Horne, Principal

Current 6th grade

ELA 171 bubble students who are 10 points away from the scale score.

Math 163 bubble students who are 10 points away from the scale score.

ELA 568 students below 524 = 77%

Math 537 students below 524 = 74%

Current 7th grade

ELA 95 bubble students who are 10 points away from the scale score.

Math 121 bubble students who are 10 points away from the scale score.

ELA 508 students below 524 = 76%

Math 496 students below 524 = 74%

Charlotte Strange, Business Partner

Items from Audience

NONE

Present Proposed Agenda /Consent Agenda

Agenda for today's meeting was presented and approved. Mrs. Baker made motion to approve, Mrs. Strange seconded the motion, all present voted in favor to approve.

Items for Action by Local School Governance Team

NONE

Information Items from Principal

A. Personnel

- Science Teacher, Mrs. Wetherington will retire at Christmas. She wants to finish her doctorate and then teach at the college level.
- We could possibly have 2 ELA departures after Christmas. One may be moving back to North Georgia. Husband was not able to find work here and has already moved. . The other position may be leaving due to Social Security.

B. Academic Coach-Leah Johnston-

- Classroom Improvements-Grades-

C. Budget Requests (Personnel, Cafeteria)

- At the budget meeting in January, Dr. Horne is hoping for a reading interventionist.
- He would also like to add another ESOL teacher, second year ESOL students count for Milestone.
- For the cafeteria, we will ask for the long tables. The round table set up is very tight when classes are coming into lunch and other classes are trying to leave. Long tables will give more space and help make transitions easier..

D. Curriculum News/ELT -Mrs. Johnston
